

**GRADES 9–12**

**3–4 PARTICIPANTS**

**3.5 HOURS**

**PER TEAM**

Mahim 16 — inspired by Brooklyn 99 — is a thrilling mystery-based crime event where teams step into the shoes of investigators to crack a complex case. Using a starter podcast, witness interactions and an evidence file, teams must analyse the crime, build an investigation board and narrate their theory of the case.

## **MAHIM 16—RULES OF PROCEDURE**

### **ROUND 1: PRELIMINARY INVESTIGATION ROUND**

- Each team will be allotted one case in the form of a podcast.
- Teams must carefully analyse the content and supporting materials.
- Teams must identify the culprit and determine the motive and method.
- An elimination round will take place at the end of Round 1, featuring riddles based on the podcast content.

### **ROUND 2: ADVANCED INVESTIGATION ROUND**

- Teams that qualify will receive additional evidence.
- An elimination round will take place at the end of Round 2, comprising tasks derived from the podcasts.

### **ROUND 3: FINAL DEDUCTION ROUND**

- Teams will be allotted 45 minutes to construct their investigation board, which they will then use to present their final refined theory.
- The investigation board must outline:
  - Key evidence collected in the previous rounds
  - Timeline of events
  - Analysis of suspects and theories
  - Logical Conclusion
- Materials for creating the investigation board will be provided.
- After Round 3, teams will get 3 minutes to present their report and findings using the investigation board.
- The judge will ask 1 question to each team based on their findings.

## **MAHIM 16—RULES OF PROCEDURE**

### **Judging Criteria (Round 3)**

1. Depth of Investigation & Accuracy
2. Creativity & Storytelling
3. Investigation Board Presentation
4. Teamwork and Effort

### **GENERAL RULES**

- Participants will upload the podcast onto their laptop from the pendrive provided, after which the device must be switched to Airplane Mode.
- Mobile phones are strictly prohibited from accessing the podcast or any materials.
- Use of the internet or external assistance will result in penalties or disqualification.
- Teams must bring: fully charged laptops, chargers and wired earphones; no Bluetooth devices allowed.

### **Note**

- Conclusions must be logical, coherent and supported by evidence.
- Unsupported assumptions or incorrect deductions will result in point deductions.
- Teams are expected to adapt dynamically as new information is introduced.
