MR. & MS. PERSEVERANTIA—RULES OF PROCEDURE

Guidelines For The Talent Round

Participants will showcase a talent that incorporates two contrasting styles, forms, or expressions. At any moment of their choosing, they must seamlessly transition from one to the other and present their ability to evolve, adapt, and transform in front of the audience.

This transition should reflect a deeper journey, moving toward what is authentic and self-defined, and grab the truest essence of metamorphosis which is the theme for the competition. (For example, a participant delivering a speech may start in a humorous or lighthearted manner before transitioning into a more powerful and emotional message, effectively highlighting the theme of metamorphosis.)

Judging Criteria

1. Body Language
2. Originality
3. Confidence
4. Execution of the theme
